

TOMS

TRIGUBS

CREATIVE | HONEST | EMPATHETIC

SUMMARY

I'm a passionate UI/UX designer with 7+ years of experience in IT, software support, and training. Also, I'm a guest lecturer at a university. My latest positions are UI/UX designer in agile international insurance company and UI/UX design instructor in various projects and start-ups. I'm easy to work with and value collaboration, communication, and feedback. I always strive to improve my design skills and learn new trends and technologies.
